A677

Long Term Rust Preventive

Nonfood Compounds
Program Listed H2
161470

Product Description

Stoner® A677 Long Term Rust Preventive is a long term coating used as a mold protectant against rust and oxidation for 12 plus months protection.

A677 seals out dampness and prevents rust and corrosion by leaving a heavy duty film of rust preventive.

A677 prevents rust and corrosion from ruining exposed steel and stored metals for extended time periods.

A677 allows you to ship or store parts, molds, tooling, or machinery without damage from rust, corrosion, or oxidation.

A677 leaves a heavy duty film on exposed metal to seal out dampness and prevent rust and corrosion. Ideal for plastic, rubber, and injection molds.

A677 has received NSF® approval for use in food-grade molding. Bearing the NSF® Mark assures Stoner Molding customers that A677 Long Term Rust Preventive has been tested and approved by one of the most respected independent organizations in the world.

A677 Long Term Rust Preventive ADVANTAGES:

- Prevents oxidation and corrosion.
- Protects steel molds and equipment.
- Protects molds 12 months.
- NSF® approval for use in food-grade plastic molding.

Uses

Stoner® A677 Long Term Rust Preventive is used for preventing rust and corrosion from ruining exposed steel and stored metals for extended time periods.

Directions for Use

Recommended Procedure

Thoroughly clean mold. Shake well before using. Hold can 8 to 10 inches from surface to be sprayed. Apply a uniform coating for best results.

Recommended cleaning with Stoner CUT 93234 Non-Chlorinated or A497 Non-Flammable Mold Cleaners.

Storage and Handling

Do not puncture or incinerate container. Do not expose container to heat or store at temperatures above 120 °F. Keep container away from and do not use near sparks, open flame, heated surfaces, or other ignition sources.

Packaging

A677 Long Term Rust Preventive is available in:

- 12-can case of 12 oz cans Part # A677

Available in bulk

- 5-gallon pails Part # B677PL
- 55-gallon drum Part # B677DR
