

Clean all types of hard-to-reach places and equipment with Stoner's Tall Size GUST Premium Duster

Stoner Tall Size GUST Premium Duster

- Item #: 94153
- Net Wt. 15 OZ/425g
- Contains no ozone depleting CFCs
- 100% tetrafluoroethane filtered to 0.2 microns

► Stoner Tall Size GUST Premium Duster

94153 GUST Easy Duster, quickly blows dust, dirt, lint, hair, sand, sawdust, moisture and microscopic debris from hard-to-reach areas on energized equipment. GUST is like a portable air compressor you can hold in your hand.

When you Dust with GUST, you get a blast of extremely clean, filtered, moisture-free, high pressure gas that will not scratch or harm glass, optics, metals, plastics, or rubber on energized equipment.

GUST's unique variable pressure trigger lets you control the dusting pressure. GUST contains 100% pure tetrafluoroethane, a moisture-free propellant that can produce pressure in excess of 80 psi.

Dust with GUST to clean and repair energized keyboards, printers, computers, copiers, faxes, phones, and other energized equipment.

Dust with GUST to precisely clean energized instruments and sensitive instrumentation.

Dust with GUST to repair intermittent problems with energized stereos, TVs, and VCRs that may be caused by dust.

Dust with GUST to quickly clean energized camcorders, sewing machines, RC vehicles, and other energized equipment.

► Product Benefits
