**Stoner® 93123
XENIT Natural Citrus Mold Cleaner**

Product Description

Stoner® 93123 XENIT™ Natural Citrus Mold Cleaner quickly and easily removes resins, carbon deposits, silicones and contaminants from molds. Powerful formula saves time cleaning molds.

XENIT Natural Citrus Mold Cleaner contains a proprietary cleaning formula with Citrus 66, a natural, highly refined extract of citrus fruit. With this powerful ingredient, XENIT can remove the greasy, grimy soils and stains that soap and water can't.

Stoner® 93123 XENIT™ ADVANTAGES:

- Dissolves and flushes away most release agents from metal molds prior to application of rust preventives.
- Cleans molds –in or out of the press– by removing resins, carbon deposits, and other contaminants left in the cavities.
- Removes greases, oils, waxes, inks, tars, silicones, and other contaminants from molds. Always test before using with plastics or solvent-sensitive materials.
- Dries fast and leaves no residue. Pleasant citrus scent. Non-halogenated.
- Contains no methylene chloride or Class I ozone depleting substances.

Uses

Stoner® 93123 XENIT™ Natural Citrus Mold Cleaner is a natural precision mold cleaner typically used as a degreaser in the plastics and rubber molding industries.

Many applications in automotive manufacturing, aerospace manufacturing, and general fabrication industries. For use in the manufacturing process only. Not for use as a general purpose cleaner or degreaser.

Direction for Use

Recommended Procedure

Shake can well before using. ALWAYS HOLD CAN UPRIGHT WHEN SPRAYING. Hold can 10 to 12 inches from surface to be sprayed. Apply as needed to loosen and flush away contaminants from molds. Difficult areas may require second application or scrubbing with brush or rag. Allow excess to air dry or dry with rag. XENIT Natural Citrus Mold Cleaner is a strong cleaner which may be harmful to certain plastics, paints or other solvent-sensitive materials. Always test before using. All cleaners and cleaning residues should be disposed in accordance with federal, state, and local regulations.

Storage and Handling

Do not puncture or incinerate container. Do not expose container to heat or store at temperatures above 120 °F. This product is classified as nonflammable by ASTM testing method D3065-01. However, contents of this container can ignite under certain circumstances. Keep container away from and do not use near sparks, open flame, heated surfaces, or other ignition sources.

Packaging

Stoner® XENIT™ Natural Citrus Mold Cleaner is available in:

- 12 can case of 12 oz cans Part # 93123
- 5-gallon pails Part # 94217
- 55-gallon drum Part # 94218
