

Lift oily dirt and grime from almost any surface with Stoner's

# XENIT Foaming Cleaner

## ► Stoner XENIT Foaming Cleaner

94223 XENIT Foaming Cleaner is the fast and easy way to remove dirt, grime, and food stains from almost any surface.

Clean it with XENIT Foaming Cleaner to remove ground-in soils, dirt, food stains, and oily grime. XENIT (zee-nit) cleans most surfaces in seconds, saving you time, effort, and money.

You'll find hundreds of uses for XENIT around the home, garage, workshop, or business. XENIT Foaming Cleaner removes messy drink spills and food stains from carpet, upholstery, tables and counter tops. It will remove dirt and mud from flooring, footwear, and clothing. For fingerprints and oily dirt on walls, windows, furniture, and auto trim.

XENIT Foaming Cleaner is a powerful water-based cleaner that is virtually harmless to fabrics, carpeting, upholstery, and other water-wettable surfaces. That's because XENIT Foaming Cleaner contains a proprietary, non-abrasive formula with Amasol 8. This powerful penetrating foam lifts dirt without added water that can leave surfaces saturated and wet. And because XENIT Foaming Cleaner resists running, it is an ideal choice for cleaning surfaces adjacent to powered components. (Not for use directly on powered components.)

## ► Product Benefits

- Foaming action lifts oily dirt and grime from almost any surface.
- Harmless to fabrics, carpeting, upholstery and similar surfaces.
- Quick-drying formula.
